## How to Succeed

During the last few years, conditions in all lines of business, every professional life, have changed so completely that every man is waking up to the fact that in order to win success he must specialize and learn to do some one thing and do it well. So it is with any article that is sold to the people. It must have genuine merit or no amount of advertising will maintain the demand for the article.

For many years we have watched with much interest the remarkable

record maintained by Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy. From the very beginning the proprietors had so much confidence in it that they invited every one to test it, free of cost, before purchasing.

It is a physician's prescription. They have on file thousands of letters received from former sufferers who are now enjoying good health as a result of its use.

However if you wish first to try a sample bottle, address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper. They will gladly forward you a sample bottle by mail absolutely free.

Regular sizes for sale at all drug-gists--50 cents and \$1. (Adv)
